

Final Announcement
16th European Workshop on White Dwarfs
Barcelona (Spain), June 30th - July 4th 2008

Dear colleagues,

We are pleased to announce that the final programme of the 16th European Workshop on White Dwarfs is already posted on the conference WEB page <http://www.ieec.cat/eurowd08/>. All the oral contributions will have 20 minutes talk, plus 5 minutes for discussion. In addition, we have allocated plenty of time for coffee breaks and lunch, to encourage poster viewing and discussion.

The list of registered participants and the abstract book are also posted on the WEB (we will provide a printed copy at registration).

Registration will take place on Monday, starting at 8:00 AM. For those of you who have not payed yet, we remind that the late registration fee of 300 EUR applies (to be payed by cash), plus 70 EUR for the conference dinner.

There are two planned social events. On Tuesday July 1st, there will be an informal dinner, offered by the town of Barcelona, at the Fabra Observatory, on the Tibidabo hill in Barcelona, from where there is a splendid view of the whole city. On Thursday July 3rd we will have the conference dinner, in a nice restaurant near Barcelona (the details, including the menu, are posted in the section "Social Events" of the conference WEB page).

We remind you that all the details concerning the venue, access, internet connection and so on are posted on the WEB page. We will include there all the updates, without any further email message.

We wish you a nice trip and we look forward to meeting you very soon in Barcelona.

Warmest regards,

Jordi Isern, Enrique García-Berro, Margarita Hernanz, Santiago Torres
